

Qin PLUS 2023 EV Champion Edition 420KM Leading Type		Qin PLUS 2023 EV Champion Edition 420KM Transcendence Type		Qin PLUS 2023 EV Champion Edition 510KM Leading Model		Qin PLUS 2023 EV Champion Edition 510KM Transcendence Type		Qin PLUS 2023 EV Champion Edition 510KM Excellent Type		Qin PLUS 2023 EV Champion Edition 510KM Excellent Type	
<strong>Basic parameters</strong>											
<strong>Manufacturer</strong>											
<strong>Level</strong>											
<strong>Energy type</strong>											
<strong>Time to market</strong>											
<strong>CLTC pure electric cruising range (km)</strong>											
<strong>Fast-charging time</strong>											
<strong>Fast-charging power (kW)</strong>											
<strong>Fast-charging capacity (%)</strong>											
<strong>Motor maximum horsepower (Ps)</strong>											
<strong>Pure electric/136 horsepower</strong>											
<strong>Fixed gear ratio</strong>											
<strong>Motor maximum horsepower (Ps)</strong>											
<strong>Total motor power (kW)</strong>											
<strong>Total torque of motor (N.m)</strong>											
<strong>Body type</strong>											
<strong>Length (mm)</strong>											
<strong>Width (mm)</strong>											
<strong>Height (mm)</strong>											
<strong>Wheelbase (mm)</strong>											
<strong>Front wheelbase (near axle shafts) (mm)</strong>											
<strong>Minimum ground clearance (mm)</strong>											
<strong>Minimum turning radius (m)</strong>											
<strong>Vehicle weight (kg)</strong>											
<strong>Car door opening method</strong>											
<strong>Number of doors (number)</strong>											
<strong>Number of seats (seats)</strong>											
<strong>Gas tank volume (L)</strong>											
<strong>Hydrogen loading (kg)</strong>											
<strong>Fuel tank volume (L)</strong>											
<strong>Front trunk volume (L)</strong>											
<strong>Trunk volume (L)</strong>											
<strong>Maximum trunk volume (L)</strong>											
<strong>Interior dimensions of trunk (mm)</strong>											
<strong>Interior coefficient</strong>											
<strong>Carbox box size (mm)</strong>											
<strong>Maximum load mass (kg)</strong>											
<strong>Maximum full load mass (kg)</strong>											
<strong>Total mass of quasi-trailer (kg)</strong>											
<strong>Motor/battery</strong>											
<strong>Motor type</strong>											
<strong>Motor maximum horsepower (Ps)</strong>											
<strong>Total motor power (kW)</strong>											
<strong>Total torque of motor (N.m)</strong>											
<strong>Maximum power of front electric motor (kW)</strong>											
<strong>Maximum torque of front electric motor (N.m)</strong>											
<strong>Number of drive motors</strong>											
<strong>Motor layout</strong>											
<strong>CLTC pure electric cruising range (km)</strong>											
<strong>Battery type</strong>											
<strong>Battery brand</strong>											
<strong>Battery cooling method</strong>											
<strong>Exchange battery</strong>											
<strong>Battery capacity (kWh)</strong>											
<strong>Battery energy density (Wh/kg)</strong>											
<strong>Electricity consumption per 100 kilometers (kWh/100 km)</strong>											
<strong>Battery charging time</strong>											
<strong>Fast-charging power (kW)</strong>											
<strong>Fast-charging capacity (%)</strong>											
<strong>Number of gears</strong>											
<strong>Gearbox type</strong>											
<strong>Chassis/steering</strong>											
<strong>Drive mode</strong>											
<strong>Four-wheel drive</strong>											
<strong>Center differential structure</strong>											
<strong>Front suspension type</strong>											
<strong>Rear suspension type</strong>											
<strong>Power steering type</strong>											
<strong>Body structure</strong>											
<strong>wheel brake</strong>											
<strong>Front brake type</strong>											
<strong>Rear brake type</strong>											
<strong>Parking brake type</strong>											
<strong>Front tire specifications</strong>											
<strong>Rear tire specifications</strong>											
<strong>Steering specifications</strong>											
<strong>Off-road performance</strong>											
<strong>Approach angle (°)</strong>											
<strong>Departure angle (°)</strong>											
<strong>Maximum climbing degree (%) (climbing angle (°))</strong>											
<strong>Active security configuration</strong>											
<strong>ABS anti-lock</strong>											
<strong>Braking force distribution (EBD/CBC, etc.)</strong>											
<strong>Brake assist (EBA/BAE, etc.)</strong>											
<strong>Traction control (ASR/TCS, etc.)</strong>											
<strong>Body stability control (ESP/ESC/ESC, etc.)</strong>											
<strong>Anti-roll stabilization system (RSC/ARISEM, etc.)</strong>											
<strong>Tire pressure monitoring device</strong>											
<strong>Seat belt not fastened reminder</strong>											
<strong>Parallel assistance</strong>											
<strong>Lane departure warning (LDW)</strong>											
<strong>Lane keeping assist system</strong>											
<strong>Lane centering</strong>											
<strong>Active braking/active safety system</strong>											
<strong>Road traffic sign recognition</strong>											
<strong>Fatigue driving loss</strong>											
<strong>Night vision system</strong>											
<strong>Forward collision warning</strong>											
<strong>Rear collision warning</strong>											
<strong>Passive safety configuration</strong>											
<strong>Driver's seat airbag</strong>											
<strong>Passenger airbag</strong>											
<strong>Front side airbag</strong>											
<strong>Rear side airbag</strong>											
<strong>Front head airbag (outlet airbag)</strong>											
<strong>Rear head airbag (outlet airbag)</strong>											
<strong>Rollover protection</strong>											
<strong>ISO FIX child seat interfaces</strong>											
<strong>Driving assistance configuration</strong>											
<strong>Assisted driving system</strong>											
<strong>Cruise system</strong>											
<strong>Front radar</strong>											
<strong>Rear crossing radar</strong>											
<strong>Parking camera system</strong>											
<strong>Vehicle side blind spot image system</strong>											
<strong>Reversing dynamic reminder system</strong>											
<strong>Driving mode switch</strong>											
<strong>Terrain mode switch</strong>											
<strong>Automatic parking</strong>											
<strong>Remote control maintenance</strong>											
<strong>Emergency recovery system</strong>											
<strong>Hill assist</strong>											
<strong>Automatic parking</strong>											
<strong>steering assistance</strong>											
<strong>Variable suspension adjustment</strong>											
<strong>Electromagnetic induction suspension</strong>											
<strong>air suspension</strong>											
<strong>Driving assistance level</strong>											
<strong>Intelligent driving function</strong>											
<strong>Built-in high-resolution map</strong>											
<strong>remote summoning</strong>											
<strong>Intelligent driving hardware</strong>											
<strong>Number of cameras</strong>											
<strong>millimeter wave radar</strong>											
<strong>ultrasonic radar</strong>											
<strong>External configuration</strong>											
<strong>Roof rack appearance package</strong>											
<strong>Aluminum alloy wheels</strong>											
<strong>Electric door</strong>											
<strong>Electric sunroof</strong>											
<strong>Frameless design door</strong>											
<strong>Electric hoods</strong>											
<strong>trunk sensor opening mode</strong>											
<strong>detachable rear windshield wiper</strong>											
<strong>Hidden electric door handle</strong>											
<strong>Active air intake grille</strong>											
<strong>Battery preheating</strong>											
<strong>external discharging</strong>											
<strong>Maximum external discharge power</strong>											
<strong>Low speed warning</strong>											
<strong>Internal configuration</strong>											
<strong>Steering wheel material</strong>											
<strong>Steering wheel adjustment</strong>											
<strong>Electric steering wheel adjustment</strong>											
<strong>Shift pattern</strong>											
<strong>Multifunction steering wheel</strong>											
<strong>steering wheel paddles</strong>											
<strong>steering wheel heating</strong>											
<strong>steering wheel memory</strong>											
<strong>LCD instrument panel display information</strong>											
<strong>Full LCD instrument panel</strong>											
<strong>LCD instrument panel size</strong>											
<strong>LCD heads up display (HUD)</strong>											
<strong>Mobile phone wireless charging</strong>											
<strong>Electrically adjustable pedals</strong>											
<strong>Power supply inside/outside the car</strong>											
<strong>12V power interface (two)</strong>											
<strong>220V/230V power supply</strong>											
<strong>Anti-theft configuration</strong>											
<strong>Central locking in car</strong>											
<strong>Keyless</strong>											
<strong>remote start</strong>											
<strong>Keyless start system</strong>											
<strong>steering lock system</strong>											
<strong>Seat configuration</strong>											
<strong>seat material</strong>											
<strong>Seats/ride seats</strong>											
<strong>Front seat head adjustment</strong>											
<strong>Front seat cushion angle adjustment</strong>											
<strong>Front seat cushion length adjustment</strong>											
<strong>Front lumbar support adjustment</strong>											
<strong>Front backrest adjustment</strong>											
<strong>Front seat leg rest adjustment</strong>											
<strong>Electric driver's seat adjustment</strong>											
<strong>Electrically adjustable passenger seat</strong>											
<strong>Power seat memory</strong>											
<strong>Heated front seats</strong>											
<strong>Heated second row seats</strong>											
<strong>Ventilated front seats</strong>											
<strong>Ventilated second row seats</strong>											
<strong>Front seat massage</strong>											
<strong>Second row seat massage</strong>											
<strong>Rear seats fold down</strong>											
<strong>Seat layout</strong>											
<strong>Front seat center armrest</strong>											
<strong>Rear seat center armrest</strong>											
<strong>Rear sun holder</strong>											
<strong>air conditioning configuration</strong>											
<strong>air conditioning adjustment method</strong>											
<strong>rear/heating air conditioner</strong>											
<strong>Temperature zone control</strong>											
<strong>Independent air conditioning in the rear</strong>											
<strong>Rear seat air outlet</strong>											
<strong>In-car PM2.5 filter device</strong>											
<strong>Car air purifier</strong>											
<strong>refrigerator/generator</strong>											
<strong>Car fragrance device</strong>											
<strong>Glove box/armrest box air conditioning outlet</strong>											
<strong>car refrigerator</strong>											
<strong>Lighting configuration</strong>											
<strong>low beam light source</strong>											
<strong>high beam light source</strong>											
<strong>Special structure of headlight</strong>											
<strong>Adjustable high and low beam lights</strong>											
<strong>dynamic running lights</strong>											
<strong>automatic headlight</strong>											
<strong>Turn assist light</strong>											
<strong>Adaptive headlights (AFS)</strong>											
<strong>Front fog lights</strong>											
<strong>Headlight rain and fog mode</strong>											
<strong>Headlight height adjustment</strong>											
<strong>Headlight cleaning device</strong>											
<strong>Delayed turn off of headlights</strong>											
<strong>touch reading light</strong>											
<strong>Car interior ambient light</strong>											
<strong>glass/rear view mirror</strong>											
<strong>electronic windows</strong>											
<strong>One-touch window raising/lowering</strong>											
<strong>Window anti-swing function</strong>											
<strong>Multi-layer soundproof glass</strong>											
<strong>UV/insulating glass</strong>											
<strong>Electrically adjustable rear view mirror</strong>											
<strong>Heated exterior mirrors</strong>											
<strong>Electric folding mirrors/mirror</strong>											
<strong>Rearview mirror locks and automatically folds</strong>											
<strong>Rearview mirror automatically folds down when reversing</strong>											
<strong>rear view mirror memory</strong>											
<strong>Automatic anti-theft side/rear view mirror</strong>											
<strong>Automatic anti-theft interior/rearview mirror</strong>											
<strong>sun visor mirror</strong>											
<strong>Rear mirror</strong>											
<strong>Sensing mirrors</strong>											
<strong>Multimedia configuration</strong>											
<strong>Vehicle control screen</strong>											
<strong>Central control color screen</strong>											
<strong>Screen operation mode</strong>											
<strong>Central control screen size</strong>											
<strong>screen rotation</strong>											
<strong>satellite navigation system</strong>											
<strong>Real-time traffic information display</strong>											
<strong>Mobile phone internet connection (OTA)</strong>											
<strong>Internet of Vehicles</strong>											
<strong>4G/5G network</strong>											
<strong>OTA remote online upgrade</strong>											
<strong>WiFi hotspot</strong>											
<strong>remote assistance call</strong>											
<strong>voice recognition control system</strong>											
<strong>gesture control</strong>											
<strong>Bluetooth phone</strong>											
<strong>Central control LCD screen split screen display</strong>											
<strong>car tv</strong>											
<strong>Rear central control split screen</strong>											
<strong>Interface type</strong>											
<strong>Number of USB/Type-C in vehicles</strong>											
<strong>CD/DVD</strong>											
<strong>Speaker brand</strong>											
<strong>Number of speakers</strong>											
<strong>Active noise reduction system</strong>											
<strong>Optional package</strong>											
<strong>Optional package</strong>											
<strong>Color configuration</strong>											
<strong>the color of car</strong>											
<strong>Interior color</strong>											
<strong>Remark</strong>											
<strong>Featured configuration</strong>											
<strong>Featured configuration</strong>											
<strong>door control</strong>											
<strong>Vehicle starts</strong>											
<strong>car light control</strong>											
<strong>Charging management</strong>											
<strong>air conditioning control</strong>											
<strong>Vehicle condition inquiry/ diagnosis</strong>											
<strong>Vehicle location/finding</strong>											
<strong>Car owner service</strong>											
<strong>Make an appointment for maintenance/repair</strong>
